[FIG. 22]

FIG. 22 is a schematic diagram of a cross-shaped structure. The structure is defined by a square frame 4 and a central cross 3. The cross 3 is composed of two intersecting bars, 6 (vertical) and 3 (horizontal). The intersection of the bars is labeled 1, 2. Four dashed lines with arrows originate from the intersection point, extending towards the corners of the square. The arrows pointing towards the top-left and bottom-right corners are labeled F, and the arrows pointing towards the top-right and bottom-left corners are labeled G.
